

Avasetu

Your bridge to the right home

FOR REAL ESTATE AGENTS IN PUNE **FREE PILOT, INVITE-ONLY**

Every enquiry in one place, and the right buyer to call first.

Avasetu turns the homes you list into posts, reels and your own branded page, and turns every buyer who shows interest into a lead card you can act on.

IN YOUR LANGUAGE

हिंदी घर फ़ोन से जोड़ें, पोस्ट और आपका अपना पेज तैयार; हर पूछताछ एक लीड कार्ड में, ताकि आप सही खरीदार को पहले कॉल करें।

मराठी फोनवरून घर जोडा, पोस्ट आणि तुमचं स्वतःचं पेज तयार; प्रत्येक चौकशी एका लीड कार्डवर, म्हणजे योग्य खरेदीदाराला आधी कॉल करा.

The problem every agent knows

Enquiries are scattered

Comments on posts, WhatsApp messages, missed calls. Nothing sits in one list.

Every enquiry looks the same

"Price?" and "interested" tell you nothing about budget, BHK or when they want to move.

Follow-ups slip

The warm buyer gets a late reply while you chase the ones who were only browsing.

What Avasetu does, in four steps

1 CREATE

Add a home from your phone

Photos and a few details. We fill in the listing for you to check before anything goes live.

2 ATTRACT

Posts, reels and your page

Designed posts, short reels with a Hindi voice-over, your own branded page, and a tap-to-show-interest link on every post.

3 QUALIFY

Every enquiry becomes a lead card

BHK, budget, timing and how warm the buyer is, in a few lines. Buyers tick a box to agree to be contacted.

4 CLOSE

Call the right buyer first

Call or WhatsApp from the card, starting with the warmest buyer. You decide who to contact and when.

What you get

Your own branded page

Your logo, your colours, your business name and your RERA agent number, with your homes and an enquiry form.

Your listings, posted for you

Posts on the Avasetu Facebook Page and Instagram, each credited "Listed by" you, with your consent.

Leads in your inbox

Every buyer who taps interest or writes in arrives as a lead card in your studio, on your phone.

Weekly results

Each week: how many people viewed your homes, how many enquired, and what to do next.

WHAT IT COSTS

Free during the pilot

There is no charge while the pilot runs. We will tell you before that changes.

WHAT IS COMING

- Your own WhatsApp number connected, so buyer messages reach you directly.
- Posting to your own Facebook and Instagram pages, once Meta approves our app.

Until then, posts go out on the Avasetu pages and you share them in one tap.

HOW WE KEEP IT HONEST

- ✓ Nothing is sent to a buyer without you.
- ✓ Sample homes are always labelled as samples.
- ✓ No invented AI percentages or made-up numbers.
- ✓ Buyers' consent to be contacted is recorded.
